DRAGON*CON 2004

There is adventure in sound...

Beginning in 1984, and a fixture at **Dragon*Con** since the very first one in 1987, ARTC has been bringing quality, fully soundscaped audio drama to the Atlanta area with original stories and adaptations of authors including **H. P. Lovecraft**, **Robert A. Heinlein**, and our own **Thomas E. Fuller**, to fans from across the country and around the galaxy.

Thank you for assisting ARTC in reaching our twentieth year, and listen for us after the convention at venues in the Atlanta area...and beyond!

Don't forget our evil step-sister group, MRAP!
This year those purveyors of fine parodies bring you...
