

GAYLAXICON 2007

There is adventure in sound...

Beginning in 1984, and a fixture at **Dragon*Con** since the very first one in 1987, ARTC has been bringing quality, fully soundscaped audio drama to the Atlanta area with original stories and adaptations of authors including **H. P. Lovecraft**, **Robert A. Heinlein**, and our own **Thomas E. Fuller**, to fans from across the country and around the galaxy.

This is the "Theatre of the Mind," as practiced in the Golden Age of Radio. By combining today's modern technology and dramatic techniques with the oldest form of entertainment, the human imagination, you have the best seat in the house for the most vivid movie you will ever see.

If you enjoyed today's program...

The following titles are now available.
